EXPAND Your Expertise and Your Sales with the Advanced Insurance Academy.

We'll give you the knowledge to advance your career and earn more. Learn how to produce new sales in the business owner and high net worth markets!

The Partners Advantage Advanced Insurance Academy will help you identify tremendous opportunities in the life insurance market and give you the tools to immediately generate sales!

The Partners Advantage Advanced Insurance Academy Begins February 7, 2012

How does the program work? There are 6 training sessions and 6 study group sessions – the program lasts for 12 weeks. Training is provided live, online each week. Study materials and tests are made available only to course participants on our website.

Choose a Track:

- ▶ **Business Planning Track:** Covers topics such as business succession plans, executive compensation plans, pension plans and tax issues.
- ▶ **Estate Planning Track:** Covers topics such as fact-finding, trusts, estate tax laws and premium financing.

What You'll Gain from the Advanced Insurance Academy:

- ▶ Significant training and tools that allow you to contact, engage, and maintain productive relationships
- ▶ Training, case studies, ideal client profiles and consumer-level marketing materials
- ▶ Access to many of the best life insurance and annuity products in the industry
- ▶ Quotes, case design, advanced sales expertise and case management services
- ▶ On-going sales ideas, sales development and sales training
- ▶ Certificate of successful completion
